

ALABAMA ASSOCIATION OF ASSESSING OFFICIALS
(A.A.A.O.)
Founded: 1981

Our Association Mission

- To inculcate and simulate a high degree of integrity and justice of the administration of the tax laws of the State of Alabama to promote the concept that professionalism is fundamental to sound assessment.
- To improve the standards of assessment practices.
- To provide a means for the collection and distribution of useful information relating to assessment practices.
- To educate the public on basic tax principles and to orient the public on the role of the assessing officers in local government.
- To conduct research and publish studies.
- To attain and maintain the highest standards of personnel requirements in assessment offices.
- To cooperate with other agencies, public and private, interested in improving tax administration.
- To take whatever action may be necessary to ensure that uniformity, equity and justice prevail in the distribution of the tax burden.
- The A.A.A.O. is an Association of People who strives for a common goal. It can be no stronger than the membership.

Membership Benefits

- All Members will receive a quarterly newsletter full of information regarding: upcoming courses/workshops; semi-annual conference information; informative articles on topics of interest; updates for the State Department of Revenue, job openings and etc.
- Members receive discounted rates on semi-annual "Conference Registration" fees.
- Members receive first-hand information on upcoming courses, workshops and educational offerings throughout the State.
- Members receive information on related organizations upcoming conferences.
- First-hand news on legislative updates.
- But most importantly membership offers a "NETWORK" of people across the State working in the field of "ad valorem" taxation and property tax administration.

Semi-Annual Education Conferences

- Regular meetings of the AAAO are held semi-annually, typically in March and August of each calendar year.
- At our semi-annual Conferences you will find pre-conference courses offered by Auburn University's Center for Governmental Services, workshops and seminars throughout the week relating to topics of interest for everyone from mappers, appraisers, support-support staff personal, elected officials, etc. and the opportunity to network with fellow assessment personnel.

Members Impact

- Every member has the opportunity to get involved.
- The AAAO has several active committees from which to choose: Elections, Membership & Promotions, Summer & Winter Conference Committees, Constitution & Bylaws, Nominating, Legislative, Education, Newsletter, Honors, and Audit & Joint Advisory.
- We strongly encourage our members to be active and help shape their future and ours.
